highways

CATAPULT  
Connected Places

We are thrilled to announce that we have made it through to the final stage of the **Accelerating Low Carbon Innovation** programme, organised by **National Highways** in collaboration with **Connected Places Catapult**!

Our 'Bridge of the Future' concept will be developed with **Balfour Beatty plc** with a long-term aim to help reduce carbon emissions through manufacture, transport, construction and maintenance.

INTERNATIONAL  
**MENSDAY**  
November 19

Sunday 19<sup>th</sup> November ZERO MALE SUICIDE

To celebrate **International Men's Day**, our Digital Marketing Executive **Craig Evans** gave an informative talk to raise awareness.
