## MEET THE TEAM!

**What is your favourite part about working at AIS?**

I love working with the fabulous team, and as the only female, there are no barriers, only bridges.

## RIN & BRIDGES 2024

A great time was had by all who attended both **RIN** and **Bridges 2024**. Our Product Sales Manager (Steel) David Mason and Senior Sales Consultant (Rail) Graham Carson were on hand at RIN, and Graham along with our Product Sales Manager (Concrete) Sean Pattimore exhibited at Bridges. A busy month for exhibitors with more to follow!
